Brandywine Health Foundation Presents the 2006 Egoville Nursing Scholarship (Coatesville, PA)

The Medical/Dental Staff of Brandywine Hospital established a fund to provide an \$8,500 scholarship each year to a student enrolling in his or her second year at the Brandywine School of Nursing. The fund, established in memory of Dr. Richard Egoville who was the Medical Director of Brandywine Hospital and a devoted physician to many, is enhanced this year with a \$1,500 grant from the Brandywine Health Foundation.

This year's scholarship recipient, Ms. Jacqueline Vega, lives in West Chester, and has dreamed of becoming a nurse ever since she was a young girl. "My mother will tell you she has one goal in life and that is for me to finish nursing school so that I never have to struggle like she has had to. I am the first person in my family to graduate from high school, and I will be the first person in the family to graduate from college."

Pictured left to right: Anne Hearn, Chair of the Brandywine Health Foundation's Board of Directors; Barbara Egoville; and Daniel Kane, M.D., Chief of Staff at the Brandywine Hospital, congratulate Jacqueline Vega, 2006 recipient of the *Egoville Nursing Scholarship*.

Ms. Vega's selection by the scholarship committee was unanimous. Congratulations to Jacqueline Vega, most deserving of the 2006 *Egoville Nursing Scholarship*.
